

serie COMBO OL

COMBINED SOLUTIONS

FROM CUSTOMIZED
COMPONENTS TO
THE "COMBO"
SOLUTIONS

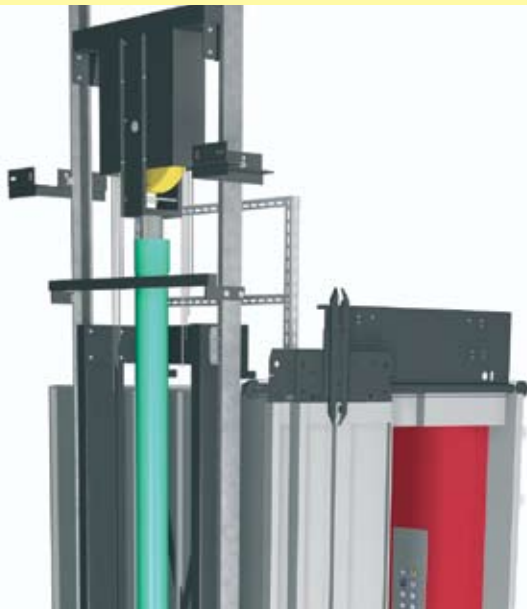

In this project we have realized a package which will enable to optimize any kind of transport as well as all other aspects pertaining to order definition and its follow-up.

All components combinations are possible.

We have no limit regarding lift capacity and lift type.

Combined Solutions **serie COMBO OL**

- ✓ car frames
- ✓ guides + brackets
- ✓ traction cables
- ✓ cars
- ✓ car door operator
- ✓ landing doors
